Mayor Potter and City Commissioners,

Portland's sit-lie and anti-camping laws have been shown to target homeless people. Their enforcement is not only inhumane and immoral, it's unconstitutional. Period.

It is not fair to punish someone who doesn't have a safe place to sleep and rest. There are thousands of people who sleep on the streets of Portland every night. Where are they supposed to go?

Repeal the sit-lie and anti-camping laws. (14A.50.020 & 14A.50.030)

Sincerely,
